*We Are All Prisoners, But Freedom is Near*  
*Crime only offers Suffering, Slavery, Sadness and Shame*

**Daily reports of shocking scandals and crime with life time consequences!**

### **Culture of Lawlessness:**

Despite the best efforts of governments, police, courts, social scientists, and help agencies, society continues to be under siege by unlawful, deceitful and fraudulent behavior. We search and study the reasons for crime from outside sources, but the birth of crime is from within. The primary factor for any deviance is first found in the human heart. Crime, deviance, wrongdoing, sin and evil are problems shared by the human family. We don't have to teach a two year old how to be mean or bad. They can be both good and bad! Socrates, Plato and Aristotle all believed in good and evil. (bad)

Saskatchewan Rough Riders general manager was charged with sexual assault. In a moment of temptation he improperly touched his sixteen year old babysitter. That secret problem of the heart cost him an outstanding career.

Former Presidential candidate John Edwards was considered a fine southern gentlemen, but an affair ended his marriage and political career. His cancer stricken wife and supporters were devastated. Tiger Woods hero was his father, but

Earl Woods told his son, "marriage is unnecessary in a mobile society like ours." As Dr. Phil says, "how's that working for you." How did it work for Tiger?

Recently, Newfoundland, Nova Scotia and British politicians have been either investigated, charged or embarrassed by their greed and poor ethics with public money.

Do we all have the capacity to commit social and moral wrongs? What can protect us from our own weak human nature? There is only one solution to our broken humanity and we reject it. There is no human cure to our social and personal maladies.

I do not discount the influence genetics, socialization, environment, mental health issues, and addictions have on social and criminal deviance, but most times we individually decide whether our actions will be good or evil. I needed a power greater than my temptations and weaknesses to overcome my human frailty. I found that power and support in a relationship and the teachings of Jesus Christ. I still have my faults and shortcomings, but I can have victory over them daily by my faith.

### Suicide Watch

Colonel Russell Williams of CFB Trenton has been charged with two counts of first degree murder that have shocked the nation. He was known as a rising star in the military ranks, and a man who others revered.

His family have stated, "that's not the guy we know, he was a very nice man and nice boy growing up, no problem, very gentle."

He was placed on suicide watch and I assume he has awoke from his deep and dark sins. He now is trying to come to terms with his own brutality.

There are some things we just can't explain with human wisdom.

**Elizabeth Smart**

Last year we had the "Miracle On The Hudson" where Captain Sully landed on the freezing Hudson River in New York City. A few years before that wonderful rescue, we were again inspired by the release of Elizabeth Smart from the jaws of evil. Instances of good and evil permeate daily life. Thomas Hobbes wrote in De Homine, "man is the most cunning, the strongest, and most dangerous animal." Rousseau wrote in "Emile", "seek the author of evil no longer. It is yourself! Hume stated, "man is the greatest enemy to man."

**Farrah Fawcett**

"A whole generation lost a little of itself today"  
June 23rd, 2009

**Lady Di**

Over two billion people watched her funeral!  
Aug. 31st, 1997

The stunning beauty of these two icons of our society have left many of us with a sense of personal loss with their passing. Farrah captivated every male boomer and Lady Di was adored all over the world. They left an emptiness in our world that we just can't explain. Farrah clung to her faith in her sickness and Lady Di had a quiet belief.

Where do we go with our grief and pain in tragedy and death? There is a hope and a gift that is available to each of us in this temporal life. I believe that Farrah found the cure for her cancer and Princess Diana found peace in her heartaches and personal pain. This same opportunity is available to anyone who will invite Jesus Christ into their lives. He promises to heal all our physical and emotional wounds for heaven and overcome all the evil of this world.

*"It is a great offer and is available now"*

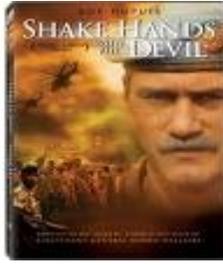

### **Ten Crime Prevention Commandments**

1. I will never partake in the defacing of my community with graffiti
2. I will make every effort to ensure that I obtain a useful education
3. I will not become involved in anyway with illegal drugs
4. I will not abuse alcohol or participate in risky gambling
5. I will not possess any illegal weapon
6. I will refrain from using disrespectful or coarse language
7. I will not view violent video games or listen to sadistic music
8. I will not bully, degrade or sexual exploit others
9. I will have no membership in any illegal or immoral organization
10. I will obey these commandments and aspire to my full potential in life and help others achieve their success

**The Face of Evil Has No Conscience**

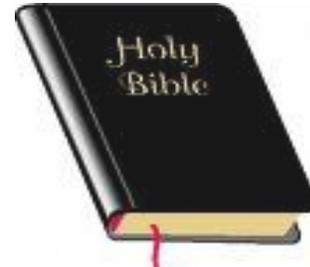

"9-11 Woke Us Up to Evil"

800,000 Slaughtered  
"Unthinkable Evil"

*"When God is not in a society,  
that society is hardly worth  
living in, as there will be  
extreme evil"*  
Dr. Charles Stanley  
In Touch Ministries

**Within the pages of this book are the answers  
and solutions to crime!**

Extraordinary evil can be carried out by a few or thousands of very ordinary people. The fanatical extremists were deceived by their own evil hearts in 9-11. Canadian General Romero Dallaire witnessed the Rwanda massacre and suffered a deep emotional breakdown.

Nobel Prize winner William Golding (Lord of The Flies) concluded that man can produce evil as a bee produces honey. Auschwitz had German guards that overnight turned from farmers to mass murderers. The Book of Ecclesiastes of the Bible which was written over two thousand years ago, quotes in Chapter 6:1, "there is an evil which I have seen under the sun and is common to all men."

There appears to be degrees of evil and wrong doing from a great act of violence or treachery to the acts of shoplifting, cheating on your taxes, or lying. The Bible states that if anyone says they are without "sin," they are liars. (1John 1) We all have failed, faltered and disappointed others.

"Sin" is not a word our modern world uses, but that doesn't change the reality that sin exists in every human life. There has been no time, no part of the globe, free from evil. Right now there are over 130 wars or conflicts taking place. Our human nature can be blatantly contradictory. In the Haiti Relief effort there is a great propensity for giving, kindness and care. A few decades earlier, Hitler told his troops when they marched into Poland, "kill without pity."

*We are capable of the very best and the very worst!*

*We have free choice to choose despite our conditions!*

Criminal profiler Elliott Leyton recently commented on the Colonel Russell Williams sex crime case at Camp Borden: "we attempt to find elusive answers to staggering and shocking crimes. There is no test to prone the private sexual fantasies of someone, for decades scientists have failed to identify the root cause."

In some "human enlightened" thinking, sin became crime, crime became a sickness and that became a dysfunction. We like to brand things to dismiss our personal responsibility on some of our failures, and thereby escape the reality of our sinful nature. Does Tiger Woods need sexual addiction therapy? It won't hurt him, but isn't it just sin?

*We see, we want, we take!*

**Vancouver Believe 2010**

**Ten Reasons to Believe in The Bible**

1. **Its Honesty**- The Bible is painfully honest and describes how biblical leaders were once deceitful, liars, murderers, disobedient, but were redeemed by God to change the world.
2. **Its Preservation**- The historical evidence is overwhelming and the proof of its authenticity is well documented. The Bible was written through humans by God and is there as a guide of how we should live our life.
3. **Its Claims**- Have been absolutely true and are still unfolding today. The past and present are documented and the future is there for us to read.
4. **Its Miracles**- From the Red Sea parting to the numerous eye witness testimony of the many miracles of Jesus, there can be no doubt of the supernatural power that controls this world.
5. **Its Unity**- Forty different authors over a period of 1,600 years penned the Bible to explain where we are going, why and how we can live successfully for God.
6. **Its Historical and Geographical Accuracy**- Modern archaeologists have repeatedly unearthed evidence of the people, places, and cultures described in the Bible.
7. **Its Endorsement By Christ**- It is difficult to comprehend, but Jesus confirmed that eternal life is found in Him and the Bible is the story about Him and our salvation.
8. **Its Prophetic Accuracy**- Every prophecy in the Bible was proved absolutely correct, from Israel and the Promised Land to the birth of Jesus.
9. **Its Survival**- The books of Moses were written 500 years before the earliest Hindu Scriptures and 2,000 years prior to Muhammad penned the Koran.
10. **Its Power to Change Lives**- The changed lives over history prove the power of the Bible. So many people had lost their reason and meaning of life, only to read the Bible and find their purpose and a new passion for their life.

*The Bible is our Operational Manual for life and  
the benefits of following its guidance,  
"are out of this world!"*

*The USA spend 25 Billion dollars on fighting  
gangs and over that period of time  
the gangs doubled in size!*

*Money is not the solution!*
